## **Major Frasers Manuscript; His Adventure in Scotland and England; His Mission To, and Travels in France in Search of His Chief; His Services in the Rebellion, ... With Simon Fraser, Lord Lovat, 1696-1737**

As a year-old experimental novel, I was afraid the style might be dated, but quite the opposite: I think readers today might feel this book's reverence for the physical world, even a late 20th-century American physical world dominated by franchises. Published in The Mezzanine will have special resonance for anyone of my generation and above, with its deliciously accurate descriptions of Prell commercials, cigarette vending machines, and other recently gone extinct species of our culture. He's adrift.
