Intraword, our translators cater for translation into and out of all French dialects. With the virtual disappearance of the oceangoing United States merchant marine, it would take a writer like John McPhee, who worries about things being lost to a bewilderingly voracious technology, to tackle the subject. His vehicle is the Stella Lykes, a foot elongated Lykes Brothers Steamship Company freighter, which he joined at the suggestion of his friend. He and the ship are off on a day voyage to the west coast of South America from Charleston, S.
